

## FORM SUMMARY

---

**Name of Form:** **Dispositional Order – Delinquent**

**Form Number:** **JD-1745**

---

**Statutory Reference:** §§938.34, 938.355, and 938.396(7)(a), Wisconsin Statutes

**Benchbook Reference:**

**Purpose of Form:** Formal order of the court detailing the disposition in a delinquency case.

**Who Completes It:** District attorney.

**Distribution of Form:** Original to court, copies to juvenile, parent/guardian/legal custodian/trustee, juvenile's attorney, district attorney, school, social worker, and other interested parties.

**Accompanying Forms:** Generally none, although there may be separate addenda concerning restitution orders, educational programs, rules of supervision, etc., depending on the individual case.

**New Form/Modification:** Modification, last update 04/08.

**Modifications:** Updated language to comply with 2009 Wisconsin Act 79 regarding sibling placement and visitation; diligent search and notice to relatives and other adults; and the permanency plan including out-of-state placements.  
Section 938.355(2)(b)1. requires that the dispositional order contain the "specific services" to be provided to the juvenile and juvenile's family.

**Comments:** RMC recommends that the court not rely upon attachments alone as the basis for its findings. Where attachments are used, specific reference to the document title, page and paragraph should be made.

RMC has concerns that out-of-home placements ordered to be effective in the future may violate ASFA rules. One suggested procedure in these cases is to first enter a dispositional order placing the child at home, then revise the dispositional order pursuant to §938.363 upon the actual removal from the home. Another option is to adjourn the dispositional hearing until the actual removal date.

**About this Form:** This form is the product of the Wisconsin Records Management Committee, a committee of the Director of State Court's Office and a mandate of the Wisconsin Judicial Conference.

**If you have additional information that does not change the meaning of the form, attach it on a separate page. The form itself shall not be altered.**
